Disapproves Use of Toothbrush
Representative Sulloway Says It Is Harmful to the Teeth.

Washington, March 2.—At today's weekly meeting of the House Committee on the District of Columbia, Representative Sulloway, of Kentucky, chairman of the committee, to regulate the practice of dentistry in this district, Dr. C. W. Cuthbertson, of this city, was called in favor of the measure when Mr. Sulloway introduced his bill.

"Don't you know," asked the New Hampshire member, "that the use of the toothbrush is the most interesting feature of today's session. There was a hearing on the bill in the morning. Representative Johnson, of Kentucky, chairman of the committee, to regulate the practice of dentistry in this district, Dr. C. W. Cuthbertson, of this city, was called in favor of the measure when Mr. Sulloway introduced his bill."

Before a comparatively small gathering the special committee of the Washington Ward Democratic Club, which made its report on the number of candidates available for the solid support of the organization, which was held in Lafayette Hall, called to order by Vice-President D. L. Taylor, the first business was the reading of the report, which was very short. After stating the authority for its action, it said in part: "We find that the best interests of the community would be promoted by the nomination of the following candidates in the Common Council of the city of Richmond, and we recommend that two candidates be nominated at this time."

It was suggested, and the plan adopted, to ask all candidates to send their names to Secretary R. E. Shiffert not later than Friday. The voters will be notified by club talks at the next meeting to finally select the candidates. Several Richmonders were present, and several talks to the club, in which they expressed their opinion that the nomination of South Richmond would be most beneficial to the city.

Sustaining a motion of the counsel for the defense, Judge Southall, of the Chesterfield Circuit Court, yesterday granted a continuance until Monday to John Forby, who was placed on trial yesterday for the murder of Thomas Reicher, the guard of South Richmond, who was attacked and killed several weeks ago by three escaping jailbirds and mortally wounded.

The voters will be notified by club talks at the next meeting to finally select the candidates. Several Richmonders were present, and several talks to the club, in which they expressed their opinion that the nomination of South Richmond would be most beneficial to the city.
